Health Partnership Clinic

At Health Partnership Clinic (HPC), our experienced and compassionate health care providers are focused on caring for your child’s medical, dental and behavioral health. Our clinics see children of all ages, from newborns through age 18, providing comprehensive, quality health care regardless of income or insurance status.

Our medical, nursing and dental staff represent all walks of life, cultures and races. Several staff members speak multiple languages fluently, including Spanish.

To learn more about our providers, visit hpcjc.org.

Welcome “Home”

When you bring your child to HPC, you can rest assured we provide the best primary care possible.

We aim to ensure you and your children have access to the primary care you need, when and where you need it; and that you receive evidence-based care from your provider.

As your child’s “medical home,” we partner with you to meet your child’s health needs at one of our clinics. We also provide a central location for all of your child’s health care records. If your child needs emergency or specialty care, we can coordinate referrals and communicate your child’s confidential medical information to these providers.

Our “medical home” approach to care also means improved patient and family satisfaction with our services. In recent surveys, 97 percent of respondents rated their overall care “good” or “great.” Ninety-four percent said they would refer a family member or friend to us.

When you need us the most, our Olathe site provides a Pediatric Walk-In Clinic for children under 18 who are sick or need care for minor illnesses and injuries. No appointment necessary. Open 7:30 a.m. to Noon, Mon-Fri. This service is open to the community.

Payment

HPC accepts commercial insurance, KanCare/ Medicaid and Medicare. Those with special circumstances are invited to apply for discounted medical and dental care.

In addition, thanks to programs, collaborations and generous community support, we care for uninsured and underinsured patients regardless of ability to pay.

Please talk with a member of our staff regarding eligibility and any financial concerns or questions you may have.
