

# Children's Health Day

*Celebrating You and National Health Center Week*

**Saturday, Aug. 15**

9 a.m. to 3 p.m.

407 S. Clairborne Rd. • Olathe, KS 66062

Building a healthier community starts with you and your family. The American Academy of Pediatrics strongly supports the continued care for children during the COVID-19 pandemic. That's why we're offering a health day just for children. The clinic is closed to sick patients, and we've taken every step possible to ensure the health and safety of your family.

**Call 913-648-2266 to schedule an appointment today!**

*Limited appointments available so don't delay! Sorry...No walk-in availability.*

- Well Child Checkups
- School/Sports Physicals
- Immunizations
- Dental Screening
- Fluoride
- Integrated Behavioral Health visit, if needed

**For the safety of our patients and staff:**

- One parent – One child  
*Unless you have scheduled appointments with other children*
- Wear a mask, including children 2 and older
- If you or your child are exhibiting any COVID-19 symptoms, please stay at home.

Accepting insurance, including KanCare/Medicaid.  
Financial assistance is available to uninsured children who qualify.

**Co-Sponsored by**

Aetna Better Health of Kansas, Sunflower Health Plan  
and UnitedHealthcare Community Plan.
