

October marks Breast Cancer Awareness Month. And, we're joining the fight to build awareness and educate staff and patients.

JOIN HEALTH PARTNERSHIP CLINIC for THINK PINK Month

Starting Wednesday, Sept. 29 - October 31, 2021

LEARN about Breast Health. Information will be available at all clinics during the month.

SCHEDULE a mammogram by calling **913-648-2266**. The mobile mammography coach will be at the Olathe clinic on Wednesday, Sept. 29 from 8 a.m. to 5 p.m. Screening mammograms will be available to area women who are 50 and older, low income and uninsured. Thanks to our generous sponsor, **FNBO**, there is **no cost** to patients.

Staff will enroll eligible women in Kansas' Early Detection Works, and insurance will be billed if insured. A gift bag will be given to each participant who has a mammogram screening, and free refreshments will be served.
