A screenshot of the "Fundraise" web page, showing the "Join an existing team" form. The page title is "Fundraise" with links for "Sign Up", "Create Page", and "Share". There are two buttons: "Join an existing team" (which is selected with a blue checkmark) and "Create your own team". Below these is a dropdown menu labeled "Which team would you like to join?*" with "Select..." as the current selection. Underneath is a text input field for "What's your fundraising goal?" with the placeholder "\$500" and a note: "Set a starting goal for your page. You can change this at any time." Below that is a "Story" section with the text "Tell the story of why you're fundraising. This will appear on your personal page and be visible to any visitors. Don't worry, you can edit this later." and a text area labeled "Tell your story...". At the bottom is a large blue button labeled "Join this fundraiser". A red arrow points from the "Join an existing team" text in the instructions to the "Join an existing team" button in the screenshot.

5) You will receive an email confirmation, that contains a link to "View your Page". You are receiving this email because you are a member of the Team that is named **Individual Walker**. You are welcome to send that link to your friends and family and have them support your fundraising efforts.

Fundraising is not required to participate as an Individual Walker, but we encourage you to consider a \$100 donation. This will earn you a Snowflake Streak T-shirt.
